

Strange

It's a strange world we living in
Just playing games worth we living in
Billjons of people are fortudated
Given theres around there is no surrend
Ever so hard from where dreaming
Of a trip to the promise land
There is dollar spend on a trip to the moon
than on how to make the Earth die soon
Dog eating dog for everyone soo
I in for size again

Don't you know it's a strange world *it is a strange world*
we living in we living in
Just playing games worth *just playing games worth*
We living in *we living in*
aah

White knights in armour
Coming from the other side
We are clapping our hand
As they give us a show
That they could have done long ago

There is a rich variety of God:s to believe in
But you don't it's not a sinn
We aint blind but we can seee
Even if we tryy

Don't you know it's a strange world *it is a strange world*
we living in we living in

World

Just playing games worth *just playing games worth*
We living in *we living in*
aah

We are living in a world of make believe
Living in a world of ups and downs
Living in a world of hide and see
This is a world thats beens around
We are living in a world of make believe
Living in a world of ups and downs
Living in a world of hide and see
AAAAAAAH

Doon't you know
it's a strange world

aah
It's a strange world *it is a strange world*
we living in we living in

Just playing games worth *just playing games worth*
We living in *we living iiiiin*
Living in a world of make believe
Living in a world of ups and downs Living in
a world of hide and see

This is a world thats beens around
It's a strange world aah We are
Beeees coming down Bees coming down Tumbling
down

Lets playing games

*This is a world of hide and see This is a world that
stands alone..... This is a world that makes believe*

We playing games we playing games.....We playing
games we playing games.....
